In 2022 we followed our vision of “Every community member is touched by the arts”

• Developed more partnerships with other community organizations (Yes project, Veteran Administration, UP State Fair, DNR, Bay Pintes, etc.)
• Brought back all of our pre-Covid Education classes and camps
• Stepped up our exposure to the larger community (overseeing the State Fair Community Arts Building for a week)
Looking to 2023, we will continue engaging and inspiring different groups and organizations in our community. We will start celebrations for our 50th anniversary.
THANK YOU!
